About the National Seminar

Exceptional research is progressing in the field of Material Science, particularly on amorphous materials. The latest trend is towards the electronic materials which include the devices like solar cell, batteries, LEDs and much other stuff. This National Seminar is organized to have an exposure on the recent advances in material science and to provide fine tune research aptitude.

Broad Area of the Topic:

1. Basic Issues and Structural Aspects of Amorphous Materials
2. Characterization Techniques of amorphous materials
3. Theoretical Aspects of Amorphous Materials
4. Luminescent Amorphous Materials
5. Nano Fabrication
6. Smart Materials Using Nano-Technology

Speakers:

1. Prof.P.Yadagiri Reddy (Retd.) Dept.of Physics, Osmania University, Hyderabad.
2. Prof. V.Ravi Kumar, HoD of Physics, A.N.U
3. Dr.TNVKV Prasad, Principal scientist, ANGRAU, Tirupati.
4. Dr. M.Rami Reddy, Dept. of Physics, A.N.U

Venue:

Jagarlamudi Lakshmaiah Choudary Auditorium,
JKC College, Guntur.

UGC Sponsored
(With the Financial Assistance from Autonomous Grant)
One-day National Seminar

On

Recent Advances in Material Science

Date: 14-02-2019

Organized by

Department of Physics

About JKCCollege

Jagarlamudi Kuppuswamy Choudary College, Guntur was started in the year 1968, founded by Nagarjuna Education Society and named after celebrated philanthropist and patron of learning, Sri Jagarlamudi Kuppuswamy Choudary who rendered signal service in the spread of education in the district. The college was affiliated to Acharya Nagarjuna University and an autonomous institution of academic excellence and was accredited two times at 'A' level by NAAC during the years 2004-05 and 2016-17. The Golden Jubilee of JKC College was celebrated in February 2018.

The Vision and Mission of the college comprehends large interactive areas of education, culture, literature, arts, humanities, science and technology, providing high quality, higher education at different levels to the youth in particular to the rural youth in accordance with changing needs of the society and brightening their future with wider educational opportunities and better employment avenues. The college is offering 18 UG courses and 6 PG courses.

JKC College continuing "to strive, to seek, to find and never to yield" and still achieving and still pursuing with a motto "SEELENA SOBHATE VIDYA"

About the Department

The department of Physics was established in the year 1968. The department has good reputation with well-qualified, experienced faculty and has been serving the students with utmost dedication and commitment. The department is actively engaged in research and motivating the students for their academic excellence. The department has spacious, well furnished and well equipped laboratories. The department has also a research lab.

Keeping in mind the significance of material science, it was deemed fit to organize a one-day national seminar on "Recent Advances in Material Science"

Call for papers

The seminar programme consists of invited lectures and paper presentations on the focal themes. Original research papers are invited for oral and poster presentation on the seminar theme from faculty members, research scholars, and students.

Full length research papers will be published in a UGC recognized journal with ISBN on payment of Rs 500/-

Registration Fee

Students/Scholars: Rs100/-

Faculty: Rs 300/-

Organizing Committee

Chief Patron

Dr. Rayapati Srinivas
President, Nagarjuna Education Society

Patron

Sri Jagarlamudi Murali Mohan
Secretary & Correspondent

Advisors

Dr. I. Nageswara Rao
Principal

Sri S.R.K. Prasad
Director, P.G. Courses

Prof. N.Veeraiah
Dept.of Physics, A.N.U

Convener

Sri Ch.Ram Prasad
HoD of Physics

Organizing secretaries

Dr.K.Sambasiva Rao, Dept. of Physics
Sri T.B.N.Prasad, Dept. of Physics

Executive Members

Sri A. Brahmaiah
Dr. G.S.C.Bose
Sri L. Ajay Babu
Sri K. Sivarama Krishna
Smt. K.Swapna Latha
Smt. C.Sridevi
