Good evening to you all. A warm welcome to the guests on the dais.

- Dr. K. Basavapunnaiah, President, Nagarjuna Education Society and President of J.K.C. College and Chairperson of today's function,
- Sri J. Murali Mohan, our college Secretary and Correspondent,
- Today's Chief Guest, Sri Prathipati Pulla Rao, Honourable Minister for Civil Supplies, Govt. of Andhra Pradesh.
- Guest of Honour, Sri A.S. Rama Krishna, MLC, Krishna-Guntur Teacher Constituency.
- Another Guest of Honour, Sri Mannava Subba Rao, Mirchi Yard Chairman Ch.N.M. Srinivas, our College Joint Secretary,
- Sri S.R.K. Prasad, Director, PG Courses,

other honourable Members of the Management of N.E.S. and J.K.C. College, esteemed invitees, teaching and non-teaching staff, retired faculty, respected parents, reporters from print and electronic media and dear students,

I extend a hearty welcome to all of you on the occasion of the 50<sup>th</sup> Anniversary of our college. It's my pleasant duty to present a report for the academic year 2017-2018.

I extend a hearty welcome to all of you on the occasion of the 50th Anniversary of our college. It is customary on my part to offer an objective and comprehensive account of the curricular and co-curricular activities of the year. Before getting into it, I would like to express my happiness over the successful conduct of Golden Jubilee Celebrations in a big way. A galaxy of dignitaries graced the celebrations and alumni's overwhelming participation took us by pleasant surprise.

On the first day, NES Golden Jubilee was celebrated. Dr. Kodela Siva Prasada Rao, Honourable Speaker, Andhra Pradesh Assembly and Justice Sri J. Chalameswar, Judge, Supreme Court of India spoke on the need of quality education. Dr. K. Basavapunniah presided over the function. Retired Staff of all institutions under NES were felicitated.

On the 3<sup>rd</sup> February 2018, College community celebrated its Golden Jubilee. Vice-President Sri M. Venkaiah Naidu gave a spirited speech on the Alumni Day. He asked students to be studious and raise above sectarianism. Andhra Pradesh Chief Minister, Sri N. Chandrababu Naidu said that he would support all our academic initiatives.

On the 3<sup>rd</sup> of February, 2018 JKC College Alumni Golden Jubilee Celebrations were held. Throughout the day, alumni students were in a celebratory mood. The success of Golden Jubilee cheered every JKCian's heart. The old students of JKC College carved niches in different walks of life. Now it is your turn to emulate their example. On the evening, the cultural programmes were very classy and indeed the scintillating performances of students belonging to RVR and JC College of Engineering and JKC College won the hearts of one and all. I call upon you to appreciate programmes of similar nature in order to have better aesthetic sensibilities.

Though we planned to celebrate our Golden Jubilee Anniversary on the 3<sup>rd</sup> of February, we could not organize it owing to the inordinate delay of dignitaries in coming to the venue owing to bad weather. Therefore, we had to postpone 50<sup>th</sup> College Annul Day Celebrations. It was a blessing in disguise. Now as you see, we can organize it in a grander way.

Now I shall say a few words about academic results of Intermediate, Degree and Post-graduation.
