|  Dr. S Sankar, Advisor & Retired Principal ANR College, Gudivada, AP | Dr S. Babu Rajendra Prasad, Co-ordinator, IQAC, P.B. Siddhartha College, Vijayawada. |

AAA Peer Team Report

| Criterion | Observation |
|---------------------------|--|
| Curricular Aspects | <ul style="list-style-type: none"> • Coordinated efforts for effective curriculum delivery. • More College level Certificate / Diploma courses may be started to meet local needs. • Participation of Full-time teachers in BOS for syllabus framing. • College runs 12 UG Programmes in Commerce, Science & Computer Application and 6 PG Programmes . • CBCS implemented as per University and UGC norms. • Value added courses being offered and the College has plans for adding more. • Participation of students in field projects and internship. • Formal feedback on curriculum to be obtained and ATR on that needs to be discussed in Management meeting and it should be made available on college website. • Documentation of all departments needs to be done as per the guidelines of IQAC to meet the latest guidelines of NAAC. • More efforts needed for introducing Certificate / Diploma courses with a view to catering to the needs of the students - It may also help the college in revenue generation if these courses are kept open for others too. • Activities by the departments should try to integrate as per NAAC manual. |

| | |
|---|---|
| <p>Teaching, Learning and Evaluation</p> | <ul style="list-style-type: none">• The college may explore the possibility of attracting students from other States.• College has a policy for filling up the sanctioned seats in all the courses.• There is mechanism in the college to assess the performance of students.• Student centric teaching learning methods are practiced.• Covid-19 has shaped teachers to use more ICT / LMS and other recourses. This trend should go on in the coming years too.• Mentoring scheme for students is available in the college.• Internal grievance redressal system needs to be formalized and more credible.• Codify the Pos, PSOs and Cos and channelize it according to vision and mission of the college.• Online SSS is to be conducted by the College. |
|---|---|

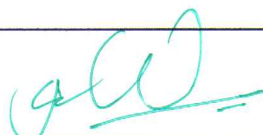

| | |
|---|---|
| <p>Research, Innovations and Extension</p> | <ul style="list-style-type: none"> • The college has infrastructure for research and there are Nine (9) Research Guides in the Departments of English, Telugu, Physics, Chemistry(UG), Commerce, MCA and PG Chemistry. • Research papers (as per CARE list.), book publications and conference participation needs to be increased. • Seed money provision to aspiring staff to participate in seminars, workshops etc. for paper presentation and related research projects may be strengthened. • Formation of incubation cell and start-ups need to be taken up on a priority basis. • IPR Workshop has been conducted and Industry-Academia Innovative activities need to be strengthened. • The College organises extension activities in the neighbourhood community. • Linkages, MOUs, Collaborations with institutions of national and international level may be strengthened. |
| <p>Infrastructure and Learning Resources</p> | <ul style="list-style-type: none"> • The College has adequate facilities for Teaching Learning. There are 54 class rooms and 6 (Six) ICT enabled class rooms and 35 rooms for laboratories. • LMS needs to be put into use in all departments. • Motivate the students to use them will help in strengthening the academic environment in the college. • Budget allotted to the library is satisfactory. • Internet facility of 200 MBPS /GBPS MBPs is available in the college, and wifi facility on the campus may be strengthened. • Optimum use of Physical infrastructure is available on the campus(es) and precautions may be taken while students and staff move from one campus to the other crossing the road. |

| | |
|---|--|
| <p>Student Support and Progression</p> | <ul style="list-style-type: none"> • Students are benefitted by scholarships and freships. • Some new gold medals have been sponsored by staff - an initiative of the IQAC. • The college provides institutional scholarships to needy students. • Guidance for competitive examinations and career counseling needs to be activated. • Language lab needs to be utilized by the students and staff. • The college was granted skill development courses i.e., BVoc and Certificate courses by the UGC and they may be started at the earliest. • All statutory committees as per UGC mandate are functional. • The college has a women cell for gender awareness and enrichment. • Functioning of Placement cell is satisfactory. • The students have secured medals in sports, NCC, Fine Arts and extension activities. • Alumni contribution is emphatic and heartening. |
| <p>Governance Leadership and Management</p> | <ul style="list-style-type: none"> • The Governance of the institution reflects Vision and Mission. • There is a practice of decentralization and participative management. • Perspective plan of the institution is prepared and deployed. • E-Governance is in operation but to be strengthened. • Internal and external Audits are done regularly. • IQAC is actively involved in quality initiatives but more meetings may be held. |
| <p>Institutional Values and Best Practices</p> | <ul style="list-style-type: none"> • Gender equity promotional activities are in place and can be strengthened. • The college has established Solar electricity of 20 KW capacity. • Waste management system needs to be formalized. • The college has addressed locational advantages and disadvantage – more initiatives are expected. |

| | |
|----------------------|---|
| Strengths | <ul style="list-style-type: none"> • State of art infrastructure • Permission obtained for B.Voc, and some Value added courses are available. • The college has taken optimum benefits of Govt. grants through UGC, NSQF, Skill development etc. • Recognition of college by UGC under PARAMARSH Scheme. • Flexibility of courses. |
| Weaknesses | <ul style="list-style-type: none"> • Processes in the college not fully computerized • Focus may be put on more Research & Book publications. • Limited Aided staff. |
| Opportunities | <ul style="list-style-type: none"> • Establishment of NPTEL approved examination centre for MOOCs • Opportunity to establish linkages, MOU and collaboration with bodies of National and International repute. • More faculty members can be involved in research (Projects, Ph.D), patents, etc. |
| Challenges | <ul style="list-style-type: none"> • Overcoming the conservative approach of staff. • Requirement of Aided faculty. • Generation of funds from institutions of repute, research and philanthropists. • Minimising gap between industry and academia. |

• **Suggestions for Improvements**

1. Documentation needs to be strengthened to reflect accuracy.
2. Establish incubation and start up cell at institutional level to promote entrepreneurship and life skills.
3. Promote research activities among teachers and students.
4. Efforts may be taken to introduce more online courses.
5. Upgradation of software and smart classes.
6. Opportunity to establish linkages, MOU and collaboration with bodies of National and International repute to provide external exposure.
7. Establish LMS system on regular basis.
8. Strengthening of statutory committees.
9. Strengthening Carrier Guidance Cell.
