

Principal's Report for the Academic Year 2017-'18

Good evening to you all. A warm welcome to the guests on the dais.

Dr. K. Basavapunniah, President, Nagarjuna Education Society and President of J.K.C. College and Chairperson of today's function,

Sri J. Murali Mohan, our college Secretary and Correspondent,

Today's Chief Guest, Sri Prattipati Pulla Rao, Honourable Minister for Civil Supplies, Govt. of Andhra Pradesh.

Guest of Honour, Sri A.S. Rama Krishna, MLC, Krishna-Guntur Teacher Constituency.

Sri S.R.K. Prasad, Director, PG Courses,

other honourable Members of the Management of N.E.S. and J.K.C. College, esteemed invitees, teaching and non-teaching staff, retired faculty, respected parents, reporters from print and electronic media and dear students,

I extend a hearty welcome to all of you on the occasion of the 50th Anniversary of our college. It's my pleasant duty to present a report for the academic year 2017-2018.

I extend a hearty welcome to all of you on the occasion of the 50th Anniversary of our college. It is customary on my part to give to offer an objective and comprehensive account of the curricular and co-curricular activities of the year. Before getting into it, I would like to express my happiness over the successful conduct of Golden Jubilee Celebrations in a big way. A galaxy of dignitaries graced the celebrations.

On the first day, NES Golden Jubilee was celebrated. Dr. Kodela Siva Prasada Rao, Honourable Speaker, Andhra Pradesh Assembly and Justice Sri J. Chalameswar, Judge, Supreme Court of India spoke on the need of quality education. Dr. K. Basavapunnaiah presided over the function. Retired Staff of all institutions under NES were felicitated.

On the 3rd February 2018, College community celebrated its Golden Jubilee. Vice-President Sri M. Venkaiah Naidu gave a spirited speech on the Alumni Day. Andhra Pradesh Chief Minister, Sri N. Chandrababu Naidu said that he would support all our academic initiatives. The overwhelming response of alumni took us by surprise. They climbed up the ladder of success and would like to extend their help to the college. The cultural programmes were very classy and indeed the scintillating performances of students belonging to RVR and JC College of Engineering and JKC College won the hearts of one and all.

Though we planned to celebrate our Golden Jubilee Anniversary on the 3rd of February, we could not organize it owing to the inordinate delay in coming to the venue owing to bad weather. However, the success of Golden Jubilee Celebrations cheered our hearts.

Now I shall say a few words about academic results of Intermediate, Degree and Post Graduation.

Intermediate 2016-2017

The results are satisfactory but we should not be complacent about them. We should work harder in order to get better results.

Students' Achievements

This year students secured many prizes for the college by participating in competitions held at different levels.

168 students got placements by renowned companies like Infosys. I congratulate all the students for the creditable achievement.

PrathibhaPuraskaram for Academic Excellence

I am very happy to announce that three students belonging to M.Sc. Mathematics were awarded PrathibhaPuraskar in October 2018. They are K Vani Ch Nalini and G Syamala. Of these K Vani and Ch Nalini got first and third University ranks respectively. Give them a big hand.

Paper / Poster Presentations and Participation by Students

I am happy to say that many of our students presented papers, posters and projects and gained laurels at national seminars.

- National Techno Quiz T Nagarjuna and M. Prem Kumar got first prizes. Give them applause.

Our Students also secured first prize and third prize in the State level quiz held in our college They also secured third prize and second prize at Women's College and PVN B College, Ponnur second prize. They performed exceedingly well in Elocution and other competitions.
